### **Hilltop's Lucky Penny Apple Butter.**

The crazies will be starting at 0-dark-30 and quitting just before dinner time, probably around 6 pm. The less twisted of our regulars start showing up around 11 am and trickle in and out all day. It is our intent to display an impressive level of disorganization to all of our neighbors, and to have them shaking their heads and mumbling to themselves, though not calling the police.

This event insists on being highly unstructured and children of all ages are welcome. Dogs that don't fight are welcome. We will be offering apples, fresh cider and free turns at the stirring pot. We should also have some apple butter left over from last year available: first come, first served. We also hope to have some music after lunch.

**COVID RULES: We are going to be relying on the fact that we are outdoors and can distance ourselves to be our COVID precaution. We will not be checking your vaccination status. No masks are required. If you feel you should be wearing a mask, please feel free to do so. If you feel others should be wearing a mask, please be kind and let them rely on social distancing for their own protection.**
