Rev. Dr. Jeff Binder, Transitional Pastor

Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight and the sin that clings so closely, and let us run with perseverance the race that is set before us, looking to Jesus, the pioneer and perfecter of faith... (Hebrews 12:1-2a)

A little while back Scott Wilson let me borrow his Ohio State Buckeyes hard hat. It was a funny joke; a satirical commentary on the sometimes-surprising tasks that a pastor faces with a congregation within one's day-to-day ministry (I helped clean up an exploding toilet the day before).

The truth is, I like the hard hat as a metaphor for the work that each of us has been called to do here at First Presbyterian.

To the common bystander, church life might seem rather easy. Each day, hundreds of people drive, ride, run, or walk by the property of First Presbyterian Church and remark, "What a lovely church."

But we, the community of faith within the walls of this church, know how much heart and hard work goes into the lifeblood of this congregation.

Maintaining the physical property is a responsibility and task all its own, but I'm not just referring to maintenance of these buildings.

Let's be appreciative of all of the programs, mission projects, music, worship, administration, Bible studies, and fellowship, that gives life to this church community today as well.

This is not an "easy" thing to do! It takes thousands of volunteer hours, plenty of energy, and a perseverance in faith and prayer that is only possible in Jesus (This might be a good time to re-read that scripture from Hebrews on the top of this page).

Within the next few pages of this report, we are invited to read and reflect upon the heart and hard work that goes into the life and ministry of First Presbyterian.

My hope is that this document serves as an invitation to not only appreciate the "lovely church" that First Presbyterian is, but to also consider how each of us are called to serve as Christ's hands and feet for our community in the year ahead.

In Christ,

Pastor Jeff

Transitional Pastor Report
Rev. Dr. Jeff Binder, Transitional Pastor
February 15, 2026

Let everything that breathes praise the Lord! (Psalm 150:6)

Note: this is not your typical Transitional Pastor experience. Who would have thought that after two and a half years, we would still be planning to serve together for another two and a half years still to come? Like I said, this is not typical, but it is a wonderful opportunity for this congregation to step forward in faith in some rather unique ways.

So, what opportunities are there for us to encounter and engage with in the coming years? Here are a few initial ideas that come to mind:

1. Our ***Building for Hope*** program continues to evolve, now in its second year. Last year you endorsed the idea to engage with community partners to help fill our church space, so that First Presbyterian can continue to be part of the fabric of Staunton. We will continue to do so, while also working on some necessary physical improvements so that more people can share our space. One example of this will be a new keyless entry system being installed this year to help keep track of who comes and goes through these doors. Stay tuned for more conversations and announcements about discerning these opportunities ahead.
2. **Church partnerships** continue to be a celebration in the connectional church. We have built upon these relationships over the years, specifically with 2nd & 3rd Presbyterian churches, through fellowship events, worship, and Bible study. My hope is that we will continue to formally partner with these congregations moving forward, as now all three congregations are experiencing transition. To do so, we will work with these churches to discern what this may look like, but please remember that any decisions made are up to you as the congregation.
3. **Community relationships** will continue to be vital as we envision a new future for First Presbyterian. I am taking the opportunity with my longer contract to build these relationships by getting involved with more city-focused groups, events, and committees. One of the best ways for us to share news of this church is to simply be present with others who may not know about our ministry or who we may not normally cross paths with, and who may be wonderful allies in serving the needs of the community.

We have our challenges. The maintenance needs of the property and buildings continue to tax our human and financial resources. Our income continues to decline while our expenses continue to rise. Yes, we have financial reserves, but regularly drawing from them is not a sustainable financial model. Our church leaders are tired, and we have not added new members in a long time.

If it is any comfort, please know that these issues are being experienced by many congregations across the country these days – we are not alone. There simply is not an easy answer; if there was, we would have taken those measures by now. This is the long, tough road of communal discernment, where tough questions must be asked, and tough decisions must be made. But this is also a wonderfully faith-filled opportunity as well for this congregation to unite as a true family of faith as we encounter an undetermined future ahead.

So, I wonder, First Presbyterian, how will God call us forward in faith in the days and years ahead? What priorities would you like to address during these transitional years? How might we envision a bright new future for First Presbyterian moving forward, so that every breath of our being may be to praise the Lord?

In Christ,

Pastor Jeff

Treasurer's Report (December 2025)

January 10, 2026

This represents the end of year report for 2025.

Income:

Total income through December stands at \$252,849 or 89% of our annual budget target. This is composed of Pledged Income coming in at \$124,771 which is below our 2025 budget of \$142,507 and also our year end prediction of \$133,231 we made in September. All Other Income (Unpledged, Rent, Investment income) of \$128,077 was 90% of our budget goal but exceeded our September prediction of \$115,862 producing a total Income for December YTD higher than our September projections but short of our budget goals.

Expenses:

Total Expenses for December YTD were \$352,139 and represent 108% of our target for the year, mainly as the result of continuing Property expenses which stand at 138% of the annual Property budget. Our Session Committee budgets were exceeded by Administration and Worship with the balance at or below budget levels.

Total Assets:

Total Assets for at the end of December were \$1,952,579. Our investments continue to show resilience in these uncertain times. The market has been favorable to our investments and allow us to continue funding our deficit budget.

Comments:

The result of our income shortfall and expense overages was a net loss of -\$99,291 against our budget loss of -\$40,153. This continues a pattern of deficit budgets for many years. Our strong investment position continues to fund these deficits. This deficit, while exceeding our budget, is considerably less than our September prediction of -\$135,135 mainly as forecast expenses were somewhat lower.

Music Director's Report 2025

Many blessings have graced the Music department this past year. We are small but mighty! Streaming issues were present, but Sam Clem deals with these so masterfully no one can tell, thank you for your wisdom, Sam! Chris Nicholson has enriched our lives greatly with his amazing abilities: on organ, as piano duet-partner, sight-reading and rehearsal guide, pianistic virtuoso, as well as his singing and ringing gifts. Thank you Chris, the congregation appreciates you!

Our resident percussionist, Robert Richardson, adds so much joy to our services helping to stream and do camera work when Sam can't be there. We love you Robert!

The Worship Committee (with the organized Martha Tillen as Chair) has unfailingly chosen hymns for us (even when I couldn't be there) and they give so freely of their time and efforts in making the musical aspects of event planning efficient and on track. Thank you team!

Pastor Jeff has stepped up to the plate on several occasions setting up the live-stream and AV equipment this year when Sam was gone. The pastor's willingness to go above and beyond is always amazing and appreciated. We have truly had so many people who contributed to a successful 2025 year.

Many thanks to the Handbell Choir (Susan Lendermon [and her husband for always helping when we need it], Emmie Dupont, Jean Wengenroth, Chris Nicholson, and Ann Weiland) and the Chancel Choir (Robert Richardson, Scott Wilson, Dick Cox, Chris Nicholson, and occasionally Anna Christina Kendall and Amanda Rogus) for hanging in there and celebrating God's word through Music. Glory to God!

Many Thanks to Heidi for all she does with getting the bulletin out and scheduling musical events. Great job!

Dr. Huff attended the Massanetta Springs "*Ring in The Springs*" Handbell Retreat February of 2025, and will be attending again in 2026. We are always seeking to enrich our music program.

This past year Dick Cox took charge as liaison for all groups using our sanctuary and rental rooms. His careful, professional correspondence greatly enhanced the flow of information and the feedback for all things behind-the-scenes. Thank you Dick!

Many great musical performances blessed our property in 2025 from Heifetz, The Staunton Music Festival, MBU, Waynesboro Symphony, to various schools and community choirs, quartets, and ensembles. We remain steadfast in our desire to encourage creativity and participation as a musical lifeline for our 'Queen City Community' and will be continuing our efforts to involve future musical opportunities as platforms of ministerial outreach.

After the Heifetz summer program, an extra grand piano was left in our sanctuary which has added to our musical options during services.

Our outdoor services and many fellowship luncheons brought fun energy and vibrancy to the congregation. A thread of openness and opportunity mirrored a more relaxed 'Jazzy' infusion to many of the musical performances during worship. It is exciting that Pastor Jeff and the Worship Committee are so good-natured about fresh ideas and experimental musical genres used during the service. Thank you! Feedback is always welcome.

Annual Evaluations occurred in October/November and we feel steady progress has been made.

Our Christmas program was planned differently this year (shorter, but much richer) than we have had the past few years. We handled more difficult music - 3 Christmas Cantatas! Tandem musical groups performed together with outside soloists and the process definitely challenged everyone's expectations and abilities. This experience gave us good feedback which will be quite useful for future planning (more rehearsals would make everyone more comfortable). A big shout-out to all participants - I am so proud of us! Bravo!

I am excited to see how we grow and change in 2026. I know we have had a slow (with ice and illness) start to the year, but I am very encouraged about moving forward.

Blessings to All,

Dr. Renee Huff

Office Manager's Report 2025

It was busy as always in the church office in 2025! It has been gratifying to see and/or be a part of such activities as the Home Goods Pantry, committee meetings, PW, and our new tenants, The Oratory School.

The work continued as usual in the office in 2025, as bulletins, newsletters, calendars, and flyers were created, weekly announcements were made, the directory and database were updated, bills were paid, accounts payable records were maintained and updated, contributions were recorded, bank statements were reconciled, and reports were generated. Publicity for church events via the website, Facebook, and email blasts continued to be a priority.

We got a new copier this year! I compiled information comparing two vendors, prices and the products they offered, working with Pastor Jeff and Cindy Cooke. We purchased a refurbished copier, and it works just like new.

With the Home Goods Pantry applying for and receiving grants, I am now providing information each month regarding Home Goods expenses, contributions, and in-kind donations.

I continued to work with community members for concerts and events, and outside contractors, including making sure that all paperwork (property agreements, insurance policies, W-9 forms) was received and filed accordingly. I also ensured that, given that we have several tenants, that the rent was paid on time. Communicated with Building & Groundsman regarding property issues needing attention. Maintained key records and made sure that keys were turned back in after use.

Yearly reports were completed and sent to Presbytery.

The Annual report was compiled and printed.

Packets for Session meetings were created each month. Reports were generated monthly for Session members.

The Home Goods Community Pantry was busy throughout the year. Forms/documents continued to be generated and updated each month in order to remain organized in the midst of continued high demand in the community. Communicated with Sue Ann McAllister whenever we received special requests for the pantry.

I continued to maintain the church website, updating it as I became aware of events. I communicated with web developers as needed.

Routine, ongoing bookkeeping duties continued, including ensuring bills were paid on time, running reports, sending quarterly & yearly contribution statements, and coordinating with our outside bookkeeper regarding exchanging information promptly, and ensuring that paychecks were received on time & distributed quickly. Also conducted year-end work, updating bookkeeping files, binders, and the PO book.

Items for the 2026 Stewardship Campaign were printed, compiled, and mailed in October of 2025.

Ensured that computer warranties and cybersecurity software were updated and renewed as needed.

Many thanks to all who volunteered and helped in the office, including Scott Wilson, Amanda Avery, and Fay Knicley.

Worship Report 2025

Make a joyful noise to the Lord all the earth!

Serve the Lord with gladness!

Come into his presence with singing!

The committee was very busy this year providing meaning and beautiful worship and special services throughout the liturgical year. A beautifully decorated sanctuary filled with wonderful music and meaningful worship is only possible through the efforts of many dedicated helpers, some members and some friends of the congregation. First Presbyterian Church extends thanks to the following (please forgive any accidental omissions):

Worship Committee Members: Jeff Binder, Martha Tillen, Sherry Cox, Renee Huff, Chris Nicholson and Gary Havens

Office support, organization, and communication: Heidi Marsh, Office Manager

Summary of Activities for 2025

- We have acquired the long term use of a beautiful Baldwin grand piano that belongs to the Heifetz Institute. They will store it in the sanctuary and we may use it whenever we like. We have used it frequently and have also enjoyed some two piano pieces using our own lovely Kawai piano as well.
- The Worship Committee planned and organized the Sacrament of Communion (including set-up, arranging servers, and clean up) once a month and on Maundy Thursday, Worldwide Communion Sunday, and Christmas Eve.
- The Chair arranged for coverage of four Sundays when Pastor Jeff was absent.
- The Chair arranged for weekly liturgists to help lead the service.
- The committee helped the Pastor to plan and carry out special services for Ash Wednesday, Maundy Thursday, Easter, Worldwide Communion Sunday, All Saints Sunday, and Advent/Christmas.

- The committee arranged for flowers and decorations in the sanctuary on Easter, and Advent as well as arranged for flowers donated by members from time to time. Fresh wreaths were also placed on the outside doors of the church during Advent. The committee coordinated with Heidi to solicit memorial donations from members and friends during Easter and Christmas.
- The Waynesboro Symphony Orchestra, the Heifetz Institute, the Staunton Music Festival, and Mary Baldwin University all used space this year for rehearsals, concerts, and classes.
- Mary Baldwin University and the Staunton NAACP held their annual service in honor of Dr. Martin Luther King, Jr. in our sanctuary in mid- January 2026.
- Committee members chose hymns for each week to please a variety of tastes and to complement the weekly sermon themes.
- The Committee continues to have an interest in opening the sanctuary to more concerts and events that enrich our community and expand our mission supporting the goals of our *Building for Hope* mission.

Significant accomplishments:

1. Replacement of forced air heat to the Potter Building
2. Determining and fixing the water leak in the top floor of the Frazier Building. The rain water source was not the roof, as had been diagnosed by my predecessor, but was coming through the walls. The walls are now capped and sealed.

Administration Committee Report 2025

Committee Members: Amanda Avery, Dick Cox, Sharon Driscoll, Martha Tillen, Scott Wilson, Pastor Jeff, Stephany Morgan, Chair (through February 2025), Cindy Cooke, Chair (March- December 2025).

Budget and Stewardship

Through December 2025 we stood at 89% of our annual budget total of \$285,308. Both pledged giving which came in at \$124,771 (below our 2025 budget of \$142,507), and All Other Income (unpledged, rent, investment income) of \$128,077 was 90% of our budget goal but did exceed our September prediction of \$115,862. This produced a total income for December YTD higher than our September projections, but short of our budget goals.

Expenses for December YTD were \$352,139 and represent 108% of our target for the year. This overage was mainly the result of continuing Property expenses which stand at 138% of the annual Property budget. Session committee budgets were exceeded by Administration and Worship by 124% and 115% respectively.

Total Assets at the end of December were \$1,952,579. We have been fortunate that our investments continue to show resilience in what has been an uncertain year. The market has been favorable to our investments and allows us to continue funding our deficit budget.

The combination of an income shortfall and expense overages caused a net loss of -\$99,291 against our projected loss of -\$40,153. We have experienced a long pattern of budget deficits, going back decades. Our strong investment position has been our chief support so that we can fund these deficits.

Many thanks to our treasurer, Scott Wilson, who provided the above information regarding our church finances and is the “go to” numbers guy!

In late September, our Stewardship Campaign/Season opened, led by Cindy Cooke. Her committee consisted of Amanda Avery, Martha Tillen, Scott Wilson, and Pastor Jeff. A letter included in the October newsletter, explained our 2025 theme, “Building for Our Future.” Capitalizing on the “Building for Hope” project initiated at the end of 2024, the committee chose to embrace groups that use our buildings to reach out in various ways to the greater Staunton community and how we are using mission and outreach to assist many in need throughout the area. An ASK letter and pledge card were mailed out in mid-October, followed by four Sunday Stewardship Moments where our committee members focused on the words of those who use our spaces and what it means to be able to reach out to large segments of Staunton and beyond, thereby fulfilling their missions and ours to embrace a diversity of people and interests. We had hoped to have a 2026 pledge goal close to that of \$142,507 from 2025. Nineteen households pledged in 2025; only 10 in 2026. Pledging fell short in 2025, with \$117,989. Thus far for 2026, pledging has reached \$94,140. Admin will be looking at ways to boost that total beginning in the spring of 2026.

Personnel

All personnel received evaluations and their job descriptions updated, A 4% increase was given to Jeff, Heidi, and Renee effective January 1, 2026. 2% COLA and 2% merit. We are grateful for Jeff's role as Covenant Pastor, and to Heidi and Renee for their hard work, dedication, and welcoming presence to our congregation and throughout the community.

Manual of Operations

By way of review from 2024, a background check policy has been in place for several years; however, no follow up has taken place. In 2024, the Admin Committee recommended, and Session approved, that all covered by this policy have a background review every 5 years; or more frequently if circumstances require.

There are several Presbytery-required policies which are to be a part of our Manual of Operations. These include Boundary Training for Elders and Sexual Abuse/Harassment Policies. Most, but not all Elders have taken the Boundary Training. Amanda Avery met with Pastor Jeff to review and synthesize the latter for Admin to read and recommend to Session for approval. This occurred in November 2025.

Our church has two part-time employee contracts. One is with T&J Cleaning (John and Teresa Sheaves) for cleaning and maintenance, and Rhonda Ritchie (accounting services). The contract for T&J has proved more than satisfactory for them and for our church. Last year the contract was reviewed and modified on a more permanent basis.

Incorporation

In October of 2024, the church became a duly approved and active non-stockholder corporation. The Session is the Board of Directors. Officers for the first year of operation are elected by the Session. They included Stephany Morgan, president, Cindy Cooke, vice president, Scott Wilson, treasurer, and Martha Tillen, secretary. New officers will be elected in February 2026 at a congregational/corporation meeting.

Rental/Lease Contracts

Our church has a number of lease agreements and facility use contracts, some of which are ongoing, and others are one and done. Since keeping these all organized and up to date required a great deal of Heidi's time, the responsibility passed to Admin to sort out, organize, and manage. In 2025 we had ongoing rental contracts in Potter (Heifetz, ASC, and Oak Grove) as well as facility use agreements for use of our sanctuary. 2025 was a busy year and Dick Cox rose to the occasion by organizing all our agreements and myriad policies into consistent and cohesive facilities use policies and rental agreements. These were examined by Admin and forwarded for adoption by Session. Dick also wrote the contract with our newest lessee, Sacred Heart of Christ Classical Academy who now occupy the second floor of Fraser. With only a few minor bumps along the way, this arrangement is working out well, both from the school's point of view and ours. Negotiations were ongoing for months as preparations went forward for the school to move in and for us to provide necessary repairs to make the rooms accessible. Dick stayed on top all the way. Currently, Heifetz has requested additional rooms (for a total of 8) for 2026, while Sacred Heart has indicated they may also need additional rooms for 2026.

Nominations Committee Report

The Nominations Committee is a congregational elected committee. It is a 3-member committee serving 2-year staggered terms. One member is elected from the Session. Due to circumstances, Cindy Cooke was the only remaining member. She served as the Session member and added Sam Clem, Donna Goble, Martha Tillen (Clerk of Session), and Sharon Wilson (Session). Congratulations go to the entire committee who worked diligently to fill five positions on the Session. These new members were duly installed on January 11, 2026. We are fortunate to have the full 9 members as established in our Manual of Operations.

Thank you for our work on this committee and to those who have agreed to serve on Session.

Special thanks to all who serve on the Administration Committee. We meet monthly on the second Sunday of the month after worship service.

Cindy Cooke, Chair
